We hope that your families will come and enjoy our overnighter on Saturday. Each Scout **MUST** have an adult parent/guardian with them at this activity **at all times**. We will give a guided tour of Camp on Saturday to anyone interested. In the evening we will also have a Campfire Program with snacks that will be a lot of fun! Bring your own tents, sleeping bags, toiletries, etc. We will provide Saturday lunch and supper and a before bed snack and Sunday breakfast.

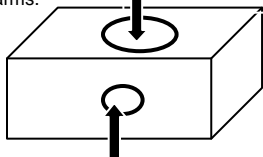

## Things to know about Cubanapolis

Cubanapolis cars are made from a cardboard box and decorated as desired (see illustration). Each team is composed of the "driver" (the Cub Scout) and "pit crew" (two or three family members / den leaders). Each driver must wear goggles and a pair of tennis shoes.

The real fun begins with the actual race. Each heat consists of four laps; drivers must make 3 pit stops. During the pit stops, the crew must clean the windshield (goggles), change the tires (remove shoes, then replace shoes), and refuel (driver drinks 4-ounces of water through a straw) before the driver can restart.

There will be awards for Class Champions, Scout Spirit, Best Design and Most Original.

2. Cut holes for the head and arms.

5" hole for arms.

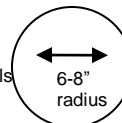

3. Make a windshield out of cardboard

4. Make four wheels out of cardboard.

5. Assemble with glue.  
6. Decorate and paint as desired (be original)
