

What is National Youth Leadership Training?

National Youth Leadership Training (NYLT) is an exciting, action-packed week of program to provide youth members with leadership skills and experiences they can bring back to their home units. Content is delivered in a troop outdoor setting with the emphasis on immediate applications of learning in a **Fun** environment. **NYLT** integrates the best of modern leadership theory with the traditional strengths of the Scouting experience. Through activities, presentations, challenges, discussions, and audio-visual support, **NYLT** participants will work together in patrols and live the Patrol Method.
