

Help feed the hungry with the Annual Scouting for Food drive!

March 10th – Bag Distribution

March 17th – Bag Collection / Food Bank Donation

Scouting for Food is a great opportunity for all Scouts to give back to their community in a meaningful way. All units are encouraged to work with their Chartering Organization as well as local churches and community organizations to distribute and collect as many bags as possible. The more we collect the more people we can help!

Scouting for Food Reporting Form

Circle One: Pack Troop Crew # _____

Total Food Items Collected: _____

We delivered our items to the following organization _____

Please list name(s) of any other organizations you partnered with (i.e. Church) _____
