We invite you to join us for a fun-filled day of shooting sports. This unique fundraising event will help to ensure that approximately 2,600 young people along the Mississippi River Valley continue to receive the best Scouting program possible. Our program provides youth a safe haven and opportunity to grow in character, citizenship, and fitness.

Teams will compete at **ten** different stations including shotgun and trap shooting, short and long-range rifles, archery, throwing knives and tomahawks, and pistols. We will provide all firearms and ammo for the day. If you have a favorite shotgun, you may bring it and use it at our shotgun stations and we'll have common-gauge shells available. While we hope this event fosters friendly competition between teams, ultimately the day is about having fun and supporting local Scouting.
