

## MISSISSIPPI VALLEY COUNCIL, BSA

### 20<sup>th</sup> Annual Bowling FUNdraiser

#### Supporting Scouts and Kids in Lee County

(Formerly Big Brothers Big Sisters Bowl for Kids' Sake and GRAYM Bowling FUNdraiser)

Thank you for participating in the 20<sup>th</sup> Annual Bowling FUNdraiser, Supporting Scouts and Kids in Lee County.

Getting a team together is easy! Here is how:

Ask 4 to 6 coworkers, family, or friends to bowl on Friday, May 11<sup>th</sup>.

Give each team member a pledge sheet to get as many sponsors and pledges as possible by May 11<sup>th</sup>. If you need additional pledge sheets call the Mississippi Valley Council office at 309-754-8413 or go to [www.mississippivalleybsa.org/events/bowling](http://www.mississippivalleybsa.org/events/bowling). **Please make sure that the sponsor's names and addresses are filled out completely and accurately on the pledge sheet(s).**

Each team member gets at least **\$20** in pledges in order to bowl. For \$40 in pledges, a person will receive a free t-shirt. Everyone gets a chance to win door prizes!

Mississippi Valley Council can collect any pledges over \$10 by billing the sponsor, but please try to turn in as much of your collected pledges as possible on the day of the event. *Checks can be made out to Boy Scouts of America and you may direct donors to the website.*

Fill out the Team Sign-up Sheet, Pick **two (2)** different times to bowl and return it to the Mississippi Valley Council office. You may email the information or call the office.

When you arrive on the day of the event, turn in your pledge sheets, collect your t-shirt prize chances and snack tickets for *free* pizza and Pepsi.

Actual bowling time will be 45 minutes so it's important to bring your pledge sheet(s) in 30 minutes before you are scheduled to bowl so that you can begin on time. **Remember it isn't about bowling but having fun to help kids.**

We very much appreciate individuals like you, who help us make **Bowling FUNdraiser** a success every year. If you have any suggestions or comments, please let us know. Once again, thank you!
