

Mississippi Valley Council Summit Experience Contingent
June 22 – 30, 2019

What is the Summit Experience:

This is a seven-day/six-night program running Sunday to Saturday. It consists of half-day introductory level experiences at each of the Summit high adventure venues including BMX, skateboarding, mountain biking, zip lines, canopy tours, challenge courses, climbing, shooting sports and more—in one setting.

In addition, each group will perform a half-day service project and have the chance to ride The Big Zip – our 3/4-mile zip line. In addition, each night (Monday-Friday), the Scott Summit Center will be open for activities, fun and socializing. The Scott Summit Center incorporates small versions of our adventure sports venues.
