# The Program

# Adventure Pins

**Aquanaut:** Swimming is a great exercise and a whole lot of fun. In this adventure, Scouts will discover how to enjoy swimming and how to respond to water emergencies. This adventure can be completed at camp.

**Cast Iron Chef:** Scouts learn how to prepare food in the outdoors using different types of cooking methods. Scouts will be preparing and cooking their own lunch during this adventure.

# Adventure Pins

**Walkabout:** Hiking is what this adventure is all about. Scouts will learn safe hiking skills prior to taking a 3 mile hike. Scouts will prepare food for the hike and have a snack during the hike. Requirement 2 will need to be completed before or after camp.

**Aware and Care:** Everyone has challenges—and understanding the challenges of others leads to acceptance. In this adventure, Webelos Scouts will learn firsthand how people live with disabilities that affect their sight, hearing, dexterity, & mobility; with this new understanding, they can help educate their peers and prevent the hurtful exclusion of others.

# Adventure Pins

**Castaway:** To survive in the wilderness, you need to learn survival skills. This adventure will help Scouts learn some necessary skills needed to survive in an emergency. Requirement 2A will be discussed but will need to be completed before or after camp.

**Outdoorsman:** There's nothing better than living in the great outdoors. This adventure will get you ready for a lifetime of outdoor fun. Requirement 1 should be completed prior to coming to camp as your den prepares for Webelos Adventure Camp.
