

SILVER TOMAHAWK PERMISSION SLIP

The Tribe of the Silver Tomahawk is an honor society unique to Mississippi Valley Council. Our goal is to recognize those Scouts and Scouters that best exemplify the Scout Oath and Scout Law in their daily lives. We recognize these exemplary Scouts each year at Scouts BSA Summer Camp. Summer camp 2021 will present its own set of challenges. We at The Tribe of the Silver Tomahawk will do our very best to follow all camp and local COVID guidelines. But the very nature of participating in our program will require our participants to engage in activities outside of their usual “pod” of campers. We cannot guarantee that participating in our events outside of the participant’s usual cohort of people will not raise said participant’s risk of being exposed to COVID. We also cannot guarantee to keep a six-foot distance between your Scout and others; however, we will try to do this as much as possible. So, we are asking your permission to allow your Scout to participate in our program if called upon. We will always provide masks and hand sanitizer and be constantly sanitizing our areas. Nearly our entire program takes place outdoors so we can allow for proper social distancing most of the time. We are confident we can provide a safe and fun environment for your scout. We have altered our program to minimize COVID risks. While participating in our program, Scouts will be asked to complete a series of tasks for 24 hours. These tasks include sleeping under the stars, volunteering free time to the service of camp, eating meals with us, extended hiking and refrain from unnecessary verbal communication. Our program will never keep a Scout from their merit badge classes or troop duties.

We feel we can help enhance your Scout’s experience at Scouts BSA Summer Camp MVC for 2021. If parents have any questions, please feel free to email the Tribe Advisor, Jeff Melton at jeffmelton91@hotmail.com. Find us @TribeoftheSilverTomahawk on Facebook.
