Golf Cart/LTV/UTV Application Form

This application is REQUIRED to drive/operate any Golf Cart, LTV or UTV while on Mississippi Valley owned property. Operators of UTV's must have both online AND hands-on training through the ROHVA (Recreational Off-Highway Vehicle Association). Your manufacturer will dictate what classification your vehicle is. This adjustment is the result of a large increase in UTV related incidents and related claims, coupled with the BSA's ongoing commitment to keep our volunteers and employees safe.
