Parts A, B1 and B2 of the BSA Health and Medical Record are required for everyone staying overnight at camp – youth and adults. The Health and Medical Record can be downloaded here: <https://www.scouting.org/health-and-safety/ahmr/>. The forms can be collected by your Pack leader ahead of the event or turned in to the Medical Officer when you arrive at camp. **Please do not turn in medical information to the Scout Office.** We suggest the family keep a copy for their records.

Dining Hall Orientation

We aim to maximize the amount of time your Scouts get to spend working on adventures, exploring, adventuring, and making memories. Visit the dining hall during orientation to learn the basic rules and patterns of the Camp Eastman dining hall. Meals will be served per tradition with a buffet line, salad bar, and after-meal song.

Swim Checks

Scouts will take a swim test as part of the check-in process. Swim checks may be done prior to camp by using the form available on the council website at www.mississippivalleybsa.org. Aquatics Director may retest Scouts and Scouters.

Camp Sites

Camp sites will be assigned by the camp director, beginning with units who need electricity for medical reasons. You will receive a campsite assignment at check in. Campsites will also be posted for early bird check-in. You are welcome to contact the scout office for your campsite ahead of time, but we reserve the right to shift units if necessary. Please confirm your campsite upon check-in.
